

JUNIPER CHAMPION PROGRAM

Learning Academy Quick Start Guide

Summary

This guide will provide you with instructions to “get started” on your Juniper Networks learning path. You will learn how to set up your profile, learn how to navigate the site and learn how to access the latest Learning Academy promotions.

Getting Started

The first time you enter the Learning Academy, you are required to select your Core Function or role within your organization, “Sales” or “Technical,” under the tab My Profile as shown in Figure 1. This important decision will determine the type of courses prescribed to you each time you log into the Learning Academy. You can always return to your My Profile tab if you decide to make any changes.

Core Function Basic Definition

- Sales - Account Manager (JNSA)
- Technical – Pre-Sales Engineer (JNSS) and Champion Program

Figure 1

Completing your profile

1. The Core function and Time zone are required entries.

Language	English	Timezone*	Pacific Time (US & Canada)
Core function	Technical		

2. Entering your CertManager ID is optional but highly recommend. If you know your CertManager ID, it will assist us in offering you a complete view of the sales and technical training you have completed at Juniper Networks.

CertManager ID (Optional)	<input type="text" value="CertManager Id"/>
---------------------------	---

Quick Start Guide

3. In order for your records to be included with your company's compliance requirements, please allow record sharing by checking the box. Press Save.

Home Page

Now you are ready to take courses.

1. **Figure 2** is the Home Page. It is broken into two main sections.

Section 1 – Navigation bar – always present as you complete courses in Learning Academy.

Section 2 – Information section to view your curriculums, transcripts, and find the latest webinars.

Begin your learning journey with Juniper

The Juniper Learning Academy is designed with you in mind. With more features than you can poke a cursor at.

Quick Start Guide

Home Page - Navigation

The Home page provides you with this information to take a course and learn more about Juniper partner programs. The Champion program is designed for our technical partners. The goal of this site is to provide you with clear instructions to join Juniper Networks' technical community.

The image shows the Juniper Learning Academy home page. At the top, there is a navigation bar with links for 'FAQs', 'Contact Us', 'My Profile', and 'Logout'. To the right of the navigation bar are social media icons for Facebook, Twitter, LinkedIn, YouTube, and a mail icon. Below the navigation bar is the Juniper Networks logo. The main content area features a large banner with the text 'Completely Redesigned' and 'Mobile And Tablet Ready'. Below the banner is a 'DOWNLOAD QUICK START GUIDE' button. The right side of the page displays three devices (laptop, tablet, and smartphone) showing the Juniper Learning Academy interface, which includes a course catalog and search functionality.

Begin your learning journey with Juniper

The Juniper Learning Academy is designed with you in mind. With more features than you can poke a cursor at.

[Start Here >](#)

The image shows the Juniper Learning Academy main features section. It is divided into four main sections: 'What's New' (G), 'My Training' (H), 'My Learning' (I), and 'Events' (J). Each section has a brief description and a 'View All' button. The 'What's New' section includes a link to 'The Junos Genius App'. The 'My Training' section includes a link to 'Course Catalog'. The 'My Learning' section includes links to 'My Curriculum' and 'My Certifications'. The 'Events' section includes links to 'Upcoming Webinars', 'Instructor Led', and 'Past Webinars'.

A – Access to Course Catalog and your Learning Paths	H – Select courses based on personal needs
B – Access upcoming and past webinars	I – Pre-built programs and initiatives curriculums
C – Find information on “Why Juniper”	J – Print your certificates and shows courses taken
D – Find information on Champion program	K – Register for upcoming webinar
E – Find information on JPA and PSS	L – Register for ILT or local events
F – Search Learning Academy courses	M – View past webinar recordings
G – Find latest news and information	

Training -> Course Catalog

The screenshot shows a 'FILTER' sidebar on the left and a 'Available Courses' list on the right. The sidebar includes sections for 'Certification' (JNSA, JNSS, Prerequisite, Design, Compliance) and 'Product' (Mobility, Network Management, Network Operating System, Packet Transport, Packet Optical, Routing, Security, Software, Software Defined Network, Support). The 'Prerequisite' checkbox is checked. The main area shows a table of courses with columns: Course Name, Code, Audience, and Actions. The 'Actions' column includes 'View' and 'Add to Selected Courses' buttons. A 'New Courses Only' toggle is at the top right.

Available Courses			
All Courses Selected Courses			
Course Name	Code	Audience	Actions
Juniper Networks Sales Associate QFX Series Switching	JNSA-QFX	Sales	View
Juniper Networks Sales Associate Contrail	JNSA-CTRL		Add to Selected Courses
Juniper Networks Sales Associate Advanced Network Infrastructure	JNSA-MT		
The Junos Software Advantage COMPLETED	JNSA-JUNOS	Sales	
Juniper Networks Sales Associate Enterprise Routing	JNSA-MMX	Sales	
Juniper Networks Sales Associate Firewall	JNSA-FWV	Sales	
Juniper Networks Sales Associate Enterprise Switching	JNSA-EX	Sales	

A – Filter course by subject	F – Target Audience
B – Filter by keyword	G – Click “Actions” for more options
C – View recently added courses	G1 – View and complete course
D – Select title to view course description	G2 – Select to build your own curriculum
E – Certification / Course Code	

On-boarding Prerequisite Courses

1. There are two Junos Fundamentals courses.

- Select “The Junos Software Advantage” if you plan to complete the JNSA and Sales courses.
- Select “Junos Operating System Highlights” if you plan to complete the JNSS and Technical courses.

Figure 3 displays the options by selecting the Prerequisite checkbox in the navigation section.

Figure 3

The screenshot shows the same interface as Figure 3, but with the 'Prerequisite' checkbox in the sidebar checked. The course list shows two entries: 'Junos Operating System Highlights' and 'The Junos Software Advantage'. The 'The Junos Software Advantage' course is marked as 'COMPLETED'.

Available Courses			
All Courses Selected Courses			
Course Name	Code	Audience	Actions
Junos Operating System Highlights	JNSS-JUNOS	Technical	
The Junos Software Advantage COMPLETED	JNSA-JUNOS	Sales	

Quick Start Guide

Training -> Course Catalog -> Selected Courses

The screenshot shows a user interface for managing selected courses. At the top, there are tabs for 'All Courses' and 'Selected Courses' (which is highlighted with a blue box labeled 'A'). Below the tabs is a 'Filter' input field with a placeholder 'Type to filter...' and a magnifying glass icon. To the right of the filter is a 'View' button (labeled 'C'). Further right is a 'Actions' icon (labeled 'D') which has a dropdown menu with 'View' and 'Remove from Selected Courses' options. The main list area contains two course entries:

- Effective Customer Conversations about Automation** (Course Name) - SS-ECCA Sales & Technical (Actions: B)
- Juniper Networks Sales Specialist Firewall** (Course Name) - JNSS-FWV Technical (Actions: B)

A - Complete the course you selected in Course Catalog item G2	C - Select button to view and start the curriculum track
B - Click "Actions" icon for more options	D - Remove the course from selection area

Training -> My Certification

The screenshot shows the 'My Certifications' section. At the top, there is a 'My Certifications' header and a 'Download My Transcript' button (labeled 'A'). To the right are 'Transfer Certs from existing account' and 'Certification Transfer Instructions' buttons. Below this is a 'Champion Level Progress' section (labeled 'C') with four levels: Champion Level, Aspiring, Innovative, and Ingenious. Each level has a green progress bar and a 'View Reward' button. To the left of the progress bar is a Juniper Champion logo. A note below the progress bar states: 'This section is for those participating in the Juniper Champion Program. It indicates your current Champion-level achievement status. Click on the Champion-level logo, and it navigates you to a page where you can download your Champion-level logo and access your achievement rewards.' Below this is a 'Certifications and Champions eCertificates' section. It includes a filter for 'Search' and 'Show: 25' dropdown. The table lists eCertificates with columns for 'Course' (labeled 'D'), 'Type' (Program), 'Pass Date' (Aug 5, 2018), and 'Expiry Date' (Aug 5, 2020). Other rows show 'Routing Ingenious [RI]' (labeled 'E') and 'Monthly Distributor - Juniper Transformation Update - August 2014 [SS-MDJTUA]' (labeled 'F') with Sales type and earlier expiry dates.

A - Download PDF document of all courses taken	D - Learning Academy active course
B - Transfer certifications in Learning Academy	E - Learning Academy expiring course
C - Champion Level Progress - if participating	F - Learning Academy expired course
